THE Harmony SOCIETY

PLANNED GIVING

"I am Somebody!"

Pastor Duane Hanson
Founder of Bethel Horizons
and the principal of connecting
with the 4 harmonies
God, self, others, & nature

The Harmony Society was created to recognize supporters of Bethel Horizons who create a lasting impact on future generations of campers and staff. Through **planned giving in your estate,** you can protect that the four harmonies that Duane Hanson valued - connecting with God, self, others, & nature - will endure as a valued tradition of his legacy.

By joining the The Harmony Society, you can combine your philanthropic giving with tax and other financial gift planning strategies to play a critical role in creating a beautiful future for Bethel Horizons.

If you've already included Bethel Horizons in your plans, we would be honored to welcome you into The Harmony Society. If you're just beginning to explore what legacy giving could look like, we'd love to talk without any obligation. All inquiries are confidential.
